Protect Better

Live worry-free knowing the ones who matter the most are secured. Protect better against uncertainties like untimely passing, accidents, or even health scares.

AIA Med-Assist

A plan that offers life insurance coverage, expertly managed medical funds, waiver of premiums, and so much more! In case of the unexpected, you get a Daily Hospitalization Income for every day that you're confined to offset any income loss you may experience. Plus, a hospitalization benefit that covers 90% of in-patient hospitalization and medical expenses.

AIA Health Cover

Get protection from major and minor illnesses along with a Daily Hospital Income of up to PHP5,000. As part of the life insurance coverage, lump sum cash benefits will be paid out to your beneficiaries when tragedy strikes.

AIA All-In-One Plus

Get protected from four major life risks: untimely death, accidents, disability and critical illness—all in one whole life insurance plan. When you reach the milestone age of 100, you can get the total face amount less any unpaid loan and interest.

Plus, enjoy insurance benefits like additional coverage when you engage in AIA Vitality! The more engaged you are in the program, the higher your benefits! Talk to your financial advisor to learn which protection plan is best suited to your needs. No matter which protection plan you choose, you will have access to Total Health Solution so you can get the most out of your policy.
